## ***Bargaining Bulletin #61***

***Friday, June 05, 2009***

This week we continued to **meet** in subcommittee and formal sessions. We've seen some movement on secondary issues but we still remain far apart on all major items. We also had a conference call, including a Q & A session where we discussed the current bargaining process, with the District 9 Mobilizing Committee and Local Mobilizers.

We are looking forward to the larger regional activities and other plans they are putting into play. We'd like to thank you and the mobilizers for your involvement in these activities. It is your involvement that clearly tells the company that you **demand** a fair and just contract.

Your continued effort to make sure all your work is done safely and with 100% quality, along with your participation in mobilization events, is essential for any movement at the bargaining table.
