

CWA District 9/AT&T West

Bargaining Bulletin #66

Thursday, June 18, 2009

Your bargaining committee has continued meeting with the company day and night in informal discussions, “concept discussions” in an effort to get agreements on issues that can be reduced to writing and to continue narrowing the issues.

In order to keep bargaining moving in a positive direction, our committee has decided not to take a recess to attend the CWA Convention, but instead stay at the bargaining table and keep working towards a fair contract.

Keep the pressure on! We know this has been a long process for everyone and we can't stress enough how important it is to keep mobilizing while we work through this process. Please check with your local mobilizers for upcoming activities. Participation in these activities is imperative for you to get a fair and just contract.
