## ***Bargaining Bulletin #74***

***Thursday, July 30, 2009***

We have been working hard to narrow the issues that prevent us from reaching an agreement.

The remaining items are Health Care, Premises Technician issues and Service Rep issues.

The entire committee has spent untold hours arguing and pursuing a fair and just contract for all of you.

We thank you for your support, keep the pressure on!

We know the lack of detail in our reports is frustrating, but bargaining is at a particularly sensitive stage and we will report more when appropriate.

We will keep you advised as events warrant.

**STRIKE STANDBY DAY 117!**

IN UNITY,

Tom Runnion  
William B. Harvey  
Lupe Mercado  
Bill Demers  
Pam Suniga
