## ***Bargaining Bulletin #75***

***Sunday, August 02, 2009***

Today we met with the Company. Arrogantly and inexplicably they moved backwards on several key issues. We ended the session by telling the company to let us know when they are ready to get serious.

You need to let the Company know **we aren't going backwards!**

We will continue to keep you advised as events warrant.

**STRIKE STANDBY DAY 120!**
